CAREER OPPORTUNITY

# Nursing Assistant

## Experienced Instructors Give You Individualized Attention...

and provide you with a comprehensive educational experience, sound technical training, marketable skills and opportunities for career planning and development.

## Your Clinical Experience Provides Real Work Experience...

giving you an insight into what is expected of you, day-to-day, on the job. In addition, your course of study is a hands-on, efficient and cost-effective vehicle for providing you with "real life" career skills training.

## Completion of this program will prepare you to take the state test.

*Areas of study:*

- Basic Nursing Skills
- Infection Control
- Safety and Emergency Needs
- Personal Care Skills
- Mental Health and Social Services Needs
- Basic Restorative Services
- Resident's Rights
- American Safety & Health, First Aid and CPR Pro
- Employment Skills
- Home Health Aide training which includes bloodborne pathogens, nutrition and meal preparation, personal home and fire safety, communication and conflict management, emergency oxygen administration, care plan, death and dying, time/energy/home/money management skills, and HIPAA guidelines.

## It Worked for Me!

*"After my youngest child began school, I decided to pursue a career in health care. Attending Tri-County Adult Career Center is the reason I now have a very rewarding job in home health care. Great instruction and a 'hands-on' internship helped prepare me for the State Test as a Nursing Assistant."*

*- Rhonda Zartman*

## It Can Work for You!

You can become a part of this successful program. In most cases, you'll be job-ready in 5 weeks. And, with low tuition fees and financial aid opportunities for qualified individuals, you'll soon be working in the career field of your choice.

## Further Educational Opportunities

Hocking College credit available.

## See for Yourself!
